

BIO and QUALIFICATIONS

With a strong political background paired with proven professional experience, I am looking to gain your confidence and support as I move upward to my next level of servant leadership. I believe my skills and background are a perfect transition to become your next AZ State GOP Chair.

I was born and raised in Sterling Illinois and moved to Arizona in 1983. Both of my Grandparents on my Mother's side were instrumental in who I am today. Cruz T. Sierra was the Hispanic Community leader in our area and taught me and my siblings the importance of giving back and being involved in your community. Marian Weaver Consuelos was educated, a nurse and real estate investor like her Mother; Daisy Dare.

I am a 2021 graduate of the Dodie London, Excellence in Public Service program and I have a Bachelor of Science degree in Business Management.

Initially working in retail management, I transitioned into becoming a Licensed Mortgage Loan Originator for the last seventeen years. My family currently owns two businesses that I am involved in daily. I have experience in fundraising and we have enjoyed the various avenues of philanthropy we have been blessed to provide for others. Along with my proven leadership skills, I believe my communication skills and the ability to motivate and work with others as a team will be a huge asset to the position.

I am currently a member of Republican Woman of Prescott, (where I served as the first Outreach Ambassador, specifically reaching the Hispanic community), Republican Woman of Black Canyon, (where I was a founding member and served two terms as a Co-Chair, Chaired our "Speakers Series" program and am current Chair of our Civics program), and Arrowhead Republican Woman as an associate member.

I am the founder of the National Republican Hispanic Assembly chapter in Yavapai County and was appointed the Arizona Chairwoman for the organization in late spring of 2022.

I was honored to lead the Pledge of Allegiance in 2020 at a President Donald J Trump rally and recently has honored to receive the "Champion of Freedom" award from Senator Rick Scott of Florida.

Having volunteered for various political/community positions and organizations for over ten years along with my business experience, I feel I am positioned to lead the Arizona Republican Party to the next level of unity, cohesiveness, and success.
